MVision opens an office in Sydney, Australia

LONDON, United Kingdom (February 8, 2013) - MVision Private Equity Adviser has today opened an office in Sydney, Australia.

MVision already has a number of outstanding investment manager clients in Australia, and opening this office will allow the firm to expand its reach further into the rapidly developing Asia Pacific private equity market.

Mounir Guen, CEO of MVision said, "We believe our Sydney office will allow us to not only reach investors and managers in the Asia Pacific region more effectively, but also better serve our existing client base in conjunction with our current Hong Kong operations."

MVision is widely recognised as one of the world's leading independent alternative assets advisory firms, focusing on Private Equity, Infrastructure, Real Assets and direct transactions, in both the developed and emerging markets. MVision has offices in London, New York, Hong Kong and Sydney.
